

List of Faculty Participated in FDP/STTP/ Workshops/ Seminar etc., (AY 2022-23)

Sl. No.	Staff Name	Program Type	Title	Duration	Month & Year
1	Dr. G Narayana	FDP	New Generation COConstruction materials and technologies	2	Jan-23
2	Dr. Shashikumar A	Webinar	Introduction to Green Concrete	1	Aug-22
3	Dr. Shashikumar A	Webinar	Forensic engineering - concepts and cases	1	Sep-22
4	Dr. Shashikumar A	Webinar	Materials characteristics & structural applications of engineering cementitious materials	1	Sep-22
5	Dr. Shashikumar A	Webinar	Relevance and importance of ESG for sustainable development goals of organisation	1	Sep-22
6	Dr. Shashikumar A	Workshop	New Age Additives for concrete and cement	1	Oct-22
7	Dr. Shashikumar A	Webinar	Engineering and doctoring of structural materials and structures	1	May-23
8	Dr. Shashikumar A	Webinar	Good construction practices for Home Buildings	1	May-23
9	Dr. Shashikumar A	Webinar	Box jacking with soil nailing for construction of rail/road underpass	1	May-23
10	Dr. Shashikumar A	Webinar	Case study on rehabilitation measures for bridges	1	May-23
11	Dr. Shashikumar A	Webinar	Earthquake resistance homes	1	May-23
12	Dr. Shashikumar A	Webinar	Relevance of site effect for earthquake resistance construction	1	Jun-23
13	Ravindra M V	Training	Resilient, Affordable and Comfortable Housing through National Action	3	Jan-23
14	Sharadha S A	STTP	Self sustainable buildings	5	Sep-22
15	Sharadha S A	Webinar	Forensic engineering - concepts and cases	1	Sep-22
16	Sharadha S A	Webinar	Performance based concrete floors	1	Nov-22
17	Sharadha S A	Training	Resilient, Affordable and Comfortable Housing through National Action	3	Jan-23
18	Sharadha S A	FDP	New generation construction materials and technologies	2	Jan-23
19	Sharadha S A	Webinar	Sustainable Cities with EGS impact	1	Feb-23
20	Sharadha S A	Webinar	Bacterial concrete - an innovative materials	1	Feb-23
21	Sharadha S A	FDP	Water - A precious natural Resource	5	Mar-23
22	Sharadha S A	Webinar	Sustainable construction materials towards net zero carbon	1	Mar-23
23	Sharadha S A	Webinar	Modern assessment tool for Di-Risking of project cost	1	Mar-23
24	Sharadha S A	Webinar	High strength fibre reinforced concrete - its behaviour and applications	1	Apr-23
25	Sharadha S A	Webinar	Relevance of site effect for earthquake resistant construction	1	Jun-23
26	Sharadha S A	Webinar	Seismic retrofitting of reinforced concrete buildings	1	Jun-23
27	Sharadha S A	Webinar	White topping and RMD technology	1	Jul-23
28	Manjunath K A	Seminar	Micro, medium and large construction technologies and its innovations	2	Jul-23
29	Raghu K	Seminar	Micro, medium and large construction technologies and its innovations	2	Jul-23
30	Vathsala M N	STTP	Self sustainable buildings	5	Sep-22
31	Vathsala M N	Workshop	Green nano technology for industry effluent treatment	3	Dec-22
32	Vathsala M N	Seminar	Micro, medium and large construction technologies and its innovations	2	Jul-23
33	Chandrakala S	FDP	Advancement in concrete technology	5	Dec-22
34	Chandrakala S	Training	Introduction to python program and its applications	one week	Mar-23
35	Chandrakala S	Training	Smart materials and system	one week	Jun-23
36	Arun Kumar C J	Training	FEEL Teacher - Communication , Learning and development Intervension	3	May-23
37	Arun Kumar C J	Seminar	Micro, medium and large construction technologies and its innovations	2	Jul-23
38	Shshi Kumar N V	FDP	Innovative teaching Methodology - A Creative Pedagogy	1 week	Jul-23
39	Bhavya S	FDP	Smart materials and system	1 week	Jun-23
40	Ravi Kiran B	FDP	ATAL Idea Lab Basic FDP-3(Hands on Training)	5	Sep-22
41	Ravi Kiran B	Seminar	Sustainable Development-The Future		Nov-22
42	Ravi Kiran B	FDP	Python Programming Laboratory	3	May-23
43	Manjunath N	Seminar	Micro Small Medium & Large Construction Technologies and Innovations	2	Jul-23
44	Sathish Y A	PDP	Advanced stabilization Techniques in construction activities	1 week	Feb-23
45	Sathish Y A	Cert. Course	Road Safety audit and other Road Safety related aspects	15	Apr-23
46	Sathish Y A	PDP	Traffic Engineering Application in road infrastructure Projects		Jul-23
47	Sathish Y A	FDP	Road Safety audit and related aspects	6	Aug-22
48	Kamath G M	Webinar	New Age Additives for concrete and cement	1	Oct-22
49	Kamath G M	TTT	Carpentry Skills	2 weeks	Apr-23
50	Ankitha V	Seminar	Micro Small Medium & Large Construction Technologies and Innovations	2	Jul-23
51	Chetan G N	Seminar	Micro Small Medium & Large Construction Technologies and Innovations	2	Jul-23
52	Rakesh M R	Seminar	Micro Small Medium & Large Construction Technologies and Innovations	2	Jul-23
53	Adarsha M R	FDP	New generation construction materials and technologies	2	Jan-23
54	Adarsha M R	FDP	Python Programming and its Applications	2	Jul-23
